## HSBA Junior Leagues

Some notes:

1. We welcome school teams to play in the Leagues, but the club teams cannot normally play immediately after school. They expect usually to play matches in the evening or at weekends. There is also a BE Schools competition which is open to all secondary schools.
2. Please be careful in accepting fixtures and scrupulous in fulfilling them – the home team will probably have committed players to the match and paid for the courts.
3. If you enter more than one team in a League, they must be kept separate. Individual players can only play in one of the teams.
4. When you have settled the dates of your fixtures, please let me have them so that I can monitor the progress of the various leagues.
5. Please let me have the results for a match, as soon as possible after the match, preferably by e-mail ([duncanconway@sky.com](mailto:duncanconway@sky.com)) .
6. I will try to keep the HSBA website ( [hertschoolsbadminton.co.uk](http://hertschoolsbadminton.co.uk) ) up to date with the results of matches and league tables.
