New Coach for U13 Squad - Olympic Medallist Jo Goode

Graham Hall

I am very pleased to announce that the Herts U13 squad will be coached this year by Jo Goode, who reached the very highest levels of badminton as a player.

Some player will know Jo from the coaching sessions she ran with Natalie Munt and Sangeeta Dhall over the summer, where she was a big hit. I'm sure all will welcome the enthusiasm she brings to her coaching, as well as her technical and tactical knowledge.

Jo had a spectacularly successful career, with 50 England caps and success in both Ladies and Mixed doubles. Along with 10 National titles, Jo won seven Commonwealth Games gold medals, a World Junior Mixed gold, a World Mixed Doubles silver, two All England Mixed Doubles titles, a European Ladies Doubles gold and a bronze medal in the Mixed Doubles at the Sydney Olympic Games in 2000. Our squad will be in the best of hands!

Squad training re-commences for U13s on September 9th - 6 pm at Herts Sports Village. We also have two Shires League matches very early in the season - Kent away on September 26th and Middlesex away on October 10th.

We would also like to thank Natalie Munt for all her hard work coaching the squad last season, congratulate her on her recent marriage and offer our very best wishes for her new job, teaching at a school in Milton Keynes.

Kate, also a qualified coach, plays regularly for the Herts Senior County 2nd team. They will be concentrating on helping players improve their skills and techniques, game tactics and fitness.

BEHIND THE SCENES....

Marion Conway

"Have you had a good break?" is a question that the Squad Managers are often asked which can be ironically amusing as we are often equally busy in the holiday periods catching up with paperwork, planning for the next term and having the inevitable committee meetings.

Although the Tournaments, both open and closed, Squads and Leagues are the visible activities of the HSBA there is a lot going on in the background. Among others, finances, insurance and the rules and regulations associated with working with young people. Also the courses that have to be attended associated with this and the numerous forms that have to be filled in.

We all enjoy running the Squads and find it enjoyable and rewarding to work with the young players but all the paperwork can be less rewarding! Even before the start of this season we have had at least three meetings to attend; a Managers Meeting, a committee Meeting and a planning meeting for each Squad.

The Managers meeting is perhaps the most important as all the Squad Managers get together at intervals to decide what is best for the Squads and, equally importantly, what is best for the individual player's development. Not an easy job. It is at this meeting that we decide which players should play in an older Squad and how frequently. We feel that it is important for all players to keep in touch with their peer group as well as being stretched in their play.

In addition to all that, a sub group has had to spend several hours on the Welcome letters and Player Data sheets to go out to all Squad members. It is amazing how many ways a simple sentence can be interpreted! So if you think we have got something wrong, please tell us gently! We all want to do what is best for all members of the Squads but we have to think about the needs of nearly 100 players whereas most Parents and Coaches have rather fewer to think about!

Swifts JBC

	Session 2	Matteo Rosales

Doubles winners	Michael Peak and Liam Barrowcliffe
Junior Champions	Safiya Qureshi and Mohammed Khaku
Runners-up	Hana Barnett and Sam Newlove

Swifts celebrates its 25th birthday this month and there will be some form of celebration at the beginning of October. We would all like to say a big thank you to Marion and Duncan Conway for starting the club and for keeping it going for a quarter of a century. May it go on for a number of years yet.

From the Editor: I hope everyone has had a good summer break and that you are all ready to start playing again. Thanks to the various committee members for their contributions this time.

Deadline for the next newsletter is Monday 30th November.
